facials

signature facial \$80

each signature facial is customized to your specific skin type or condition. skin will feel and look healthier, more luminous, hydrated and firmer for an overall glowing, youthful appearance.

acne deep cleanse facial \$90

effectively penetrates pores to dissolve impactions and blackheads, kill bacteria, reduce inflammation and remove excess cell debris to leave the skin hydrated, purified and clear. includes exfoliation and extractions if needed.

oxygen facial \$90

antioxidant therapy to correct and prevent free radical damage. helps stimulate respiration and circulation within the skin, rejuvenating sluggish, stressed skin as it draws oxygen to the skin's surface resulting in a radiant, healthy look.

yüm calming facial \$80

soothing and calming, designed to reduce redness and irritation while increasing tolerance against external aggressions. very beneficial for sensitive, and reactive skin types prone to redness and irritation.

pumpkin enzyme glow facial \$90

exfoliates and draws out impurities while introducing vitamins, enzymes and nutrients to the skin. removes dead surface cells that cause rough texture leaving skin with a healthy even glow.

back facial \$90

customized to your specific skin type and condition. Skin is left feeling and looking healthier, more luminous and hydrated. Includes exfoliation and extractions if needed.

advanced treatments

all first time peel appointments include and require our free skin consultation 7-14 days prior to your peel procedure. your esthetician will determine which peel is suited to your skin type and condition. you will also receive a pre and post procedure product kit to fit your skin type. initial consultation requires a deposit of \$25, applied toward peel treatment or pkg.

TCA peels

Trichloroacetic acid (TCA) peels are often thought of as aggressive and producing substantial discomfort. PCA Professional™ TCA peels are very different. PCA's TCA solutions are blends formulated with ingredients including lactic acid, ascorbic acid (vitamin C), plumping phytohormones and kojic and azelaic acids to produce dramatic results without the discomfort and downtime of traditional TCA peels

PCA sensi peel

will strengthen and brighten the skin while helping to treat sun damage and other forms of hyperpigmentation. this multi-faceted treatment also provides anti-inflammatory, anti-acne and antibacterial action, making it an excellent choice for helping to calm rosacea.

PCA ultra peel I

specially formulated to treat dehydrated, maturing skin and is also appropriate for many other skin types, conditions and sensitivities. it will help treat pigment disorders, fine lines, sun damaged skin and acne. overall the final result will be plump, hydrated and ultra soft skin.

PCA smoothing body peel

\$150 - \$300 depending of body part treated the smoothing body peel is a treatment specifically for the skin on the body. an exclusive blend of TCA, salicylic acid, lactic acid as well as L-arbutin, L-lactic and kojic acids provide smoothing, firming and brightening benefits, producing an overall improvement in skin tone, texture and appearance.

**\$130 (1-2 layers)
pkg of 6 \$825**

\$200 (3-4 layers)

PCA modified & enhanced jessner's peels

these peels soften the depth of surface lines around the eyes and nasolabial folds, help clear acne, smooth skin texture and even skin tone especially in oily skin. each peel blends AHA with kojic acid, (with or without hydroquinone,) with standard jessner's solution to address and prevent hyperpigmentation and inflammation.

PCA peels: hydroquinone-free, with hydroquinone and with hydroquinone & resorcinol

**\$120 (1-3 layers)
pkg of 6 \$750**

\$180 (4-6 layers)

microdermabrasion Facial \$90

includes either diamond tip crystal-free microdermabrasion or manual microdermabrasion. helps to remove surface skin imperfections, giving the skin an even and polished appearance. It is an effective acne treatment and reduces scars, fine lines, and hyperpigmentation. overall result leaves the skin smooth, soft, healthier and more youthful looking. Includes the face and neck.
